

CROSS COUNTRY CARNIVAL UPDATE

Dear Parents

We are all very excited about tomorrow's Cross Country Carnival. There are a few items to remind parents about before you leave home tomorrow.

Meeting Point: **Main Car Park** at the entrance from Lornie Road into MacRitchie Reservoir

Running Schedule: To see what time the students race please [click here](#)

Preschool Parents: Originally we were collecting the PreSchoolers from the Carnival at 11am and bringing them back to school on the buses. Now Preschool will be coming back to school on the bus at approx 10am. Therefore if they are going home with parents from McRitchie, they do need to be there at 10am to supervise.

Weather: If the morning starts with terrential rain and continues until 9am and beyond the carnival will be cancelled. If you wake up unsure of whether the event is still being staged please ring the school from 730am onwards on 6258 8544. AGS staff at the MacRitchie Reservoir car park meeting area will be able to guide you as to the event if it is raining. We will still have a regular school day if the event is cancelled.

We look forward to sunny weather tomorrow and a terrific Cross Country Carnival!

Yours sincerely

Andrew Coote
