Dear Avondale Grammar parents,

Currently the new School Council is embarking on the development of a three to five year strategic plan for the School. The process will involve input from all sectors of the school community from students to staff and parents.

Below is a link to an anonymous online survey for all parents which will provide some valuable data for the School Council regarding your views of the strengths and weaknesses of our school currently and the changes and directions you would like to see the School pursue in the years ahead.

I strongly encourage you to be involved by completing the survey over the next week (by Monday 25 October if possible). Also if you are available please make every effort to attend the parent planning session to be held this Thursday evening (21 October) at 7:30pm in the Multi-Purpose Hall. Chair of School Council Dennis Doherty will facilitate the session. It should end at around 9:30pm. If you can attend please RSVP to admin@avondalegs.com.sg by close of business Wednesday 20 October for planning purposes.

Kind Regards,

Andrew Coote
