*Free Flow Play

During free flow play sessions the children engage in a range of learning opportunities across the areas of learning including role play, messy play, graphics and mark making, construction and small world as well as adult led activities such as cookery small group literacy and numeracy activities and storytelling. For each area of learning there is a particular curriculum focus for the week and children will be working towards a range of developmental milestones each day.

*Group Time

This is a time for sharing sessions, literacy and numeracy small group work, drama, movement and storytelling. Children also engage in project work at these times and will often have enquiry tasks to pursue.
